

Fellowship Adjustments

Once a fellowship is in the “Approved Status”, “Posted Status”, or “End Status” the original fellowship award **cannot** be changed in the fellowship workflow system. A new request needs to be submitted to accommodate the change.

A **NEW Fellowship** must be awarded to *increase* the \$ amount, *decrease* the \$ amount, or *cancel* the award. **The NEW TOTAL \$ AMOUNT of the award needs to be submitted in a new request.**

Increase Award Example

Alex Winters was awarded a Total of \$1.00 for the Predoctoral Fellowship for summer 2019. The request is in the “Post” stage and cannot be adjusted.

The award now has been *increased to \$5.00* for the same term. A new request is submitted for the same account #, same item type, same term, and **NEW TOTAL AMOUNT OF \$5.00.**
