What About My Refund?

DAY 10...What's That?

Day 10 (UConn's fixed enrollment date)

September 13th is the last day to add, drop, or change classes. Initial financial aid offers are estimated based on anticipated enrollment (assumed to be full-time for all students). Final award amounts will be determined based on a student's actual enrollment status as of the fixed enrollment date (Day 10 of classes) each semester.

Full-time status is 12+ credits for Undergraduate students and 9+ credits for Graduate students. For Graduate Assistants, full-time status is 6+ credits.

How Does Day 10 Impact Your Aid?

Students who are enrolled less than full-time on Day 10 (9/13) will have adjustments (reductions) made to their financial aid offers. Financial aid offers will be adjusted after the tenth day of classes to reflect the number of credits enrolled in as of 9/13 (Day 10). Look out for an email communication if this impacts you!

REMEMBER

- University Grant funding is available to eligible students with full-time enrollment.
- Pell Grants will be prorated based on the number of credits enrolled in as of 9/13
- Half-time enrollment is required for Federal Loan eligibility
